Receiving Complaints

Complaints may arrive through channels publicised for that purpose or through any other contact details or opportunities the complainant may have, such as social media. Complaints received by telephone or in person need to be recorded. The person who receives a phone or in person complaint should:

- Write down the facts of the complaint
- Take the complainant's name, address and telephone number
- Note down the relationship of the complainant to Scarborough & Ryedale Mountain Rescue Team, e.g. donor, volunteer, sponsor
- Tell the complainant that we have a complaints procedure
- Where appropriate, ask the complainant to send a written account by post or by email so that the complaint is recorded in the complainant's own words
- Seek advice from the Secretary on what action should be taken to deal with the complaint

Resolving Complaints

Stage One

In many cases, a complaint is best resolved by the person responsible for the issue being complained about. If the complaint has been received by that person, they may be able to resolve it swiftly and should do so if possible and appropriate. Whether or not the complaint has been resolved, the complaint information should be passed to the Secretary of Scarborough & Ryedale Mountain Rescue Team within five business days. On receiving the complaint, the Secretary records it in the complaints Logbook. If it has not already been resolved, they delegate an appropriate person to investigate it and to take appropriate action. If the complaint relates to a specific person, they should be informed and given a fair opportunity to respond.

Complaints should be acknowledged by the person handling the complaint within five working days. The acknowledgement should say who is dealing with the complaint and when the person complaining can expect a reply. A copy of this complaint's procedure should be attached. Ideally complainants should receive a definitive reply within a month. If this is not possible because for example, an investigation has not been fully completed, a progress report should be sent with an indication of when a full reply will be given. Whether the complaint is justified or not, the reply to the complainant should describe the action taken to investigate the complaint, the conclusions from the investigation, and any action taken as a result of the complaint.

Stage Two

If the complainant feels that the problem has not been satisfactorily resolved at Stage One, they can request that the complaint is reviewed at Trustee Board level. At this stage, the complaint will be passed to the Board of Trustees. The request for Board level review should be acknowledged within five working days of receiving it. The acknowledgement should say who will deal with the case and when the complainant can expect a reply.

The Board of Trustees may investigate the facts of the case themselves or delegate a suitably senior person to do so. This may involve reviewing the paperwork of the case and speaking with the person who dealt with the complaint at Stage One. The person who dealt with the original complaint at Stage One should be kept informed of what is happening.

If the complaint relates to a specific person, they should be informed and given a further opportunity to respond. Ideally complainants should receive a definitive reply within a month. If this is not possible because for example, an investigation has not been fully completed, a progress report should be sent with an indication of when a full reply will be given. Whether the complaint is upheld or not, the reply to the complainant should describe the action taken to investigate the complaint, the conclusions from the

investigation, and any action taken as a result of the complaint. The decision taken at this stage is final, unless the Board decides it is appropriate to seek external assistance with resolution.

External Stage

As Scarborough & Ryedale Mountain Rescue Mountain Rescue Team is a registered charity, the complainant can complain to the Charity Commission. Information about the kind of complaints the Commission can involve itself in can be found on their website at: <https://www.gov.uk/complain-about-charity>

Variation of the Complaints Procedure

The Board may vary the procedure for good reason. This may be necessary to avoid a conflict of interest, for example, a complaint about a Chair or trustee should not also have the Chair and/or trustee involved as a person leading a Stage Two review. In such circumstances the Board of Trustees would consider requesting a Trustee from another Mountain Rescue Team to assist in resolving the complaint.

Monitoring and Learning from Complaints

Complaints are reviewed annually to identify any trends which may indicate a need to take further action.
